- **Good foundations 5** Anthony is probably one of the absolute best and brightest advisors I have ever met with in my career. As somebody who has been founding, growing, and selling successful companies for over 45 years- that's really saying something. I'm remarkably impressed and will be joining him for presumably countless more Skype sessions in the future.

Great talk, he explains everything very clear and will book with him again, thanks! **5 – Star – Ormit**
